DISSONANCE WEAVER

When Dissonance Weaver enters the battlefield, gain 1 Dissonance token.

While Dissonance Weaver is on the battlefield, whenever one of your spells or abilities forces an enemy creature to move or forbids an action, gain 1 additional Dissonance token.

GALE OF MISDIRECTION

Choose an enemy creature. Move it up to 3 inches in any direction.

If a Dissonance token is spent, you may also choose a friendly creature and swap its position with the enemy creature.

A gentle breeze can become a hurricane of confusion.

VOICE OF COMMAND

Target enemy creature must immediately move up to 2 inches towards another enemy creature of your choice.

If a Dissonance token is spent, the target must also make a melee attack against that enemy creature.

Who needs an army when you have a silver tongue and a few well-placed whispers?

4

MENTAL STASIS ZONE

Choose a 3-inch radius zone. Enemy creatures in this zone cannot move during their next activation.

If a Dissonance token is spent, they also cannot attack.

The air itself thickens with the weight of unspoken thoughts, trapping all who dare to breathe it.

MIND WEAWE

Draw 1 card.

If a Dissonance token is spent, draw 1 additional card for each Dissonance token spent (max 2 additional cards).

The most potent spells are often the ones that unravel the mind, not the body.

TYRANT'S DECREE

Choose up to 2 enemy creatures within 9 inches. Each chosen creature must move 2 inches in a direction of your choice OR cannot perform any action during its next activation.

If a Dissonance token is spent, you may choose up to 3 enemy creatures.

When the Tyrant speaks, the world listens. Or else.

MENTAL NUDGE

Force an enemy creature to move 1 inch in any direction.

Sometimes, just a small push is enough to tip the balance.
